*People for Justice
Justice for People*

TorHoerman Law is proud to announce that all four of our outstanding attorneys have been recognized in *Super Lawyers*®. Other than serving our clients, there is no greater honor than being singled out for professional achievement by our peers.

At TorHoerman Law, we believe that justice is best served by real people who have a passion for fairness and justice. We also never lose track of the fact that we represent real people that have been injured, often as a result of corporate greed.

It is our mission to never forget these guiding principles as we combine our skill with our passion to obtain justice for people.
